Section 7 Request TEAS - Version 7.1

For more information regarding any of the following questions or topics, either go to [HELP](#) or click on the underlined word. You may use the following Section 7 Request form *only* to request:

- Correction of an immaterial error in a registration that was the fault of the USPTO, or which occurred in good faith through the owner/holder of the registration;
- Amendment "for good cause" of a registration; or
- A new registration certificate if a new owner/holder exists.

WARNING: You may **not** request, using this form, the correction of a USPTO error that would result in a material change to the registration. See [TMPEP § 1609.10\(a\)](#) for information on correcting a USPTO error that would materially change the registration. Also, if the original filing basis was Section 66(a), you may **not** use this form to amend any owner/holder information. Changes in ownership must be directed to the International Bureau.

NOTE: Because original and certified copies of certificates of registration are not required for Section 7 requests, owners/holders may use this electronic form without separate submissions. All original and certified copies are scanned into the USPTO database *and then discarded*; accordingly, owners/holders are advised **not** to submit them.

Please answer all of the questions below to create a Section 7 Request form showing only sections relevant to you. **You must answer each question carefully, since the displayed form will correspond directly to the information provided.**

TIMEOUT WARNING: After 25 minutes of [inactivity](#), you will be prompted to continue your session. If you do not continue within 5 minutes, the session will end, you will be logged out of your USPTO.gov account, and you will lose any unsaved data in the form. Please have all of your information ready before you start.

Required fields are indicated with an asterisk (*).

STEP 1: You may only use this form if the [USPTO system](#) shows that the mark is registered and the registration is currently "active."

STEP 2: Enter registration number or access saved form:

* **Registration Number:** *(required only if preparing a Section 7 Request for the first time; if you have already saved a form, use the option below)*
WARNING: Be sure you are entering a registration number and NOT a serial number.

OR

To upload a previously saved form file, first review the [TEAS Help instructions for accessing previously saved data](#) and then use the "Browse..." button below to access the form file saved on your computer. **WARNING:** Failure to follow the TEAS Help instructions will result in the inability to edit your data.

Browse...

STEP 3: If preparing a new request form, carefully answer each question below to build the appropriate form.

1. Do you want to [amend your mark](#)?

NOTE: While minor changes in the mark are sometimes permitted, any [material alteration](#) will NOT be permitted and will result in a refusal being issued on that ground. If submitting a new mark image, it must be in the JPG format (whereas other image attachments may be in either the JPG or PDF format).

NOTE: Effective June 21, 2012, where an amendment involves a change in the mark, a new specimen must be provided for each class of goods/services/collective membership organization in a multiple class registration.

WARNING: If you are proposing an amendment to your mark, you must also consider whether you should request [conforming amendments](#) to any other information in the registration affected by the proposed amendment, by answering Question #2, below, as YES.

Yes No

2. Do you want to [correct or change any additional statement\(s\)](#) about the mark that appear(s) on the registration certificate, e.g., a disclaimer, translation, or claim of a prior registration? [\[Click link to view full range of possible statements available within this section.\]](#)

NOTE: If you wish for any reason to attach a file within this form, you must do so within the "miscellaneous statement" portion of the additional statement section, which allows for both free-entry of text and/or a jpg/pdf attachment.

NOTE: You may use this form to correct a mistake(s) in a registration due to an error by the USPTO or the owner/holder of the registration that does not result in a change that would require republication; e.g., a correction to add a statement that published correctly, but was then inadvertently omitted from the registration certificate, or correction of a typographical error in a statement printed on the registration. See [TMPEP § 1609.10\(a\)](#) for information on correcting a USPTO error that would materially change the registration.

Yes No

3. Do you need to [correct/change an existing classification number](#); [correct/delete items in the identification goods/services/the nature of the collective membership organization](#); [delete a class entirely](#); and/or [correct/modify dates of use](#)?

Yes No

4. Do you need to [correct information pertaining to the basis for filing/registration of the mark](#)?

Yes No

5. Is a [newly appearing U.S.-licensed attorney](#) filing this form or do you need to [update the bar information, email address, street address, phone or fax number for an already appointed attorney](#)?

The USPTO considers the power of attorney to end: (1) upon the date of registration; or (2) the final acceptance or denial of a required post-registration filing. Filing this form will automatically update the Attorney of Record and the Primary Email Address for Correspondence in the USPTO's [Trademark Status & Document Retrieval \(TSDR\)](#) database. It is not necessary to file a separate appointment form.

Once the USPTO recognizes an attorney with respect to the submission of a required post-registration filing, the USPTO will recognize that attorney ONLY for [submissions related to that filing](#), such as responses to Office actions, petitions, etc., unless and until the owner/holder revokes the power of attorney or the filing is completely resolved by acceptance, renewal, or abandonment.

Foreign-domiciled owners/holders must have a U.S.-licensed attorney represent them before the USPTO in any application-or registration-related filing. [Information about hiring a U.S.-licensed attorney](#) can be found on the USPTO website.

Yes No

STEP 4: If you have confirmed that the answers to the above questions are correct, click on the "Continue" button.

Section 7 Request TEAS - Version 7.1

A correction or amendment under Section 7 of the Trademark Act only affects information appearing on the certificate of registration. If the information being corrected or amended is not on the certificate, it is not processed as a correction or amendment under this section.

A request to correct a registration may be submitted to correct immaterial errors on the certificate, whether caused by the owner/holder or the USPTO. A request to amend a registration may be submitted to request immaterial changes to the mark and/or other information on the registration certificate.

NOTE: The correction of a USPTO error that would result in a material change to the registration may not be requested through this form. See [TMEP § 1609.10\(a\)](#) for information on correcting a USPTO error that would materially change the registration.

To satisfy legal requirements, the declaration at the end of the Section 7 request form must be signed by the owner/holder of the registration or someone who is properly authorized to sign on the owner's/holder's behalf.

Contacts:
 For general trademark information, email TrademarkAssistanceCenter@uspto.gov, or call 1-800-786-9199.

For help in resolving technical glitches, email teas@uspto.gov. Include your phone number in your email, so we can talk to you directly, if necessary.

Status Check:
 The status of the filing is available in the [Trademark Status & Document Retrieval System \(TSDR\)](#) 72 hours after filing.

Instructions:
 To file the Section 7 Request form electronically, please complete the following steps:

- Fill out all fields for which information is known. Fields with a * symbol are mandatory for filing purposes and must be completed.
- Sign the response form on the Signature Page. If the desired signatory is not available to sign the application, there are three options available:
 - To electronically forward the Signature Page to the signatory, use the Text Form option on the Signature Page for an electronic signature.
 - To mail or fax to the signatory, use the Handwritten pen-and-ink signature option on the Signature Page for the traditional "pen-and-ink" signature.
 - To electronically save the form, use the Save Form option on the Validation Page.
- Validate the form by selecting the "Continue" button on the Signature Page.
- On the Validation Page, it is critical to confirm that all information is displayed properly immediately before filing, regardless of the appearance of the data at any point earlier in the process.
- Click on the Pay/Submit button at the bottom of the Validation Page. If a fee payment is required, this will allow you to choose from 3 different [payment methods](#): credit card, automated deposit account, or electronic funds transfer. Access the proper screen for payment, and make the appropriate entries. If your transmission is successful, you will receive a SUCCESS! Page.
- An email acknowledging receipt of the submission (a filing receipt) will be sent to the Primary Email Address for Correspondence.

Owner/Holder Information

Instructions:

1. Update the mailing address, if needed. The address entered on this page is publicly viewable in the USPTO's TSDR database and is presumed to be the owner's/holder's domicile.
2. Update a domicile address that is not the same as the mailing address: Use the [Change Address or Representation](#) form to provide or update a separate domicile address, which is not viewable in TSDR.

* Name	
If the correct name does not appear in the box above, before filing you must: (1) submit a change of name document/assignment and recordation form if you have not previously done so; (2) check the box above (top) that appears to the left of the words "Check here to modify the current owner/holder information"; (3) delete the name that appears immediately above; and (4) type in the name of the current owner/holder of the registration. NOTE: If an individual, use the following format: Last Name, First Name Middle Initial or Name, if applicable.

NOTE: You must limit your entry here, and for all remaining fields within this overall section, to no more than 40 characters (the storage limit for the USPTO database). You may need to abbreviate some words, e.g., St. instead of Street. Failure to do so may result in an undeliverable address, due to truncation at the 40 character limit.

* City	
NOTE: You must limit your entry here to no more than 22 characters.	
* State	
(Required for U.S. owners/holders only)	
NOTE: You must include as part of the "City" entry any information related to geographical regions (e.g., provinces) not found in the dropdown lists for "States" or "Countries." Enter the city and then the geographical region, separated by a comma (e.g., Toronto, Ontario). In most instances, you will then also have to select the country within which the region is found, below.

* Email Address	
The owner/holder is required to provide an email address and keep that address current with the USPTO. If the owner/holder is represented by a U.S.-licensed attorney, only the attorney's email address will be used for correspondence by the USPTO.	
NOTE: The owner/holder or the owner's/holder's attorney acknowledges that he or she is solely responsible for receiving USPTO emails. Additionally, the owner/holder or the owner's/holder's attorney is responsible for periodically checking the status of the application/registration using the Trademark Status & Document Retrieval (TSDR) system. USPTO notices and office actions issued in this application/registration can be viewed online using TSDR . The USPTO is not responsible for any failure to receive a USPTO-issued email due to the receiver's security or anti-spam software, or any problems with the receiver's email system.

Mark Information

NOTE: While minor changes in the mark are *sometimes* permitted under Section 7, any **material alteration of the mark** will NOT be permitted and will result in the denial of the request on that ground.

If you have read and understood the above notice, you must check this box before you enter the proposed amended mark.

* Click the appropriate circle to indicate the Mark type: Standard Characters Special Form (*Stylized and/or Design*) Sound Mark

Use this section if you wish to modify a word(s), letter(s), punctuation, and/or number(s) with **no design element and without claim** to any particular font style, size or color.

Add/Modify the [Standard Characters](#) mark here: (Note: The entry can be in capital letters, lower case letters, or a combination thereof)

Preview USPTO-Generated Image

NOTE: After previewing the USPTO-generated image, if you object to the display of the mark, then you must use "Special Form (*Stylized and/or Design*)" option. Therein, you could attach your own image file and check a box to claim standard characters. However, the appropriateness of the standard character claim would later be determined as part of the examination of the application. For how the USPTO determines what the display of the entered mark will be, click [here](#).

*Specimen File

The owner/holder of the registration **must** submit a specimen showing use of the proposed mark, as amended, for each class in the registration. A specimen is required even if the mark originally registered under Section 44(e), based on a foreign registration. The following statement must be made of record by checking the box:

The attached specimen was in use in commerce on or before the filing date of this request. The declaration under 37 C.F.R. § 2.20 at the end of this request supporting this use will be signed by the owner/holder or a person properly authorized to sign on behalf of the owner/holder.

Click on the 'Attach' button to select the file in JPG/PDF format (not exceeding 5 megabytes per attachment) or .WAV, .WMV, .WMA, .MP3, .MPG, or .AVI format (not exceeding 5 megabytes for sound files or 30 megabytes for motion files).

WARNING: Submission of an overall request as a PDF file is NOT permissible; i.e., do not use this section, or any other section, of the form to attach a multiple-page document consisting of arguments, evidence, revised identifications of goods/services/the collective membership organization, additional statements, etc. For complete requirements concerning PDF files, click [here](#).

[Click here to Attach Specimen\(s\)](#) 0 file(s) attached

Check this box if you are mailing a [non-traditional specimen](#) using USPS because it meets the qualifications explained in the hyperlink. Sound and motion specimens are not non-traditional and **MUST** be submitted using this form. Failure to submit a required specimen through TEAS may result in processing delays and additional fees.

Describe each attached specimen and the class that it applies to:

CLASSIFICATION AND LISTING OF GOODS/SERVICES/COLLECTIVE MEMBERSHIP ORGANIZATION

NOTE: You may use this form to request changes to the listing of the goods/services/collective membership organization to: (1) restrict the identification, (2) delete a class entirely, (3) correct obvious typographical errors, or (4) otherwise change the registration in a way that would not require republication of the mark, but never to add to or broaden the goods/services/nature of the collective membership organization in a registration by amendment or correction. Any request to amend or correct the classification must coincide with the current version of the *Nice Agreement Concerning the International Classification of Goods and Services for the Purposes of the Registration of Marks*. See [TMEP § 1609.10\(a\)](#) for information on correcting a USPTO error that would materially change the registration.

WARNING: Registration Subject to Cancellation for Fraudulent Statements
Statements made in filings to the USPTO must be accurate; inaccuracies could result in the cancellation of a trademark registration. For example, an owner's/holder's lack of use on all goods/services for which use is claimed in a post-registration filing with the USPTO could jeopardize the validity of the registration and result in its cancellation.

Enter information for the Class

Original International Class :

*International Class: (Enter class number 001- 045, A, B and 200)

*Listing of Goods/Services/Collective Membership Organization [NOTE: Do not enter a class number or letter or any other code in the field below. You must enter only the common commercial name for the specific goods/services/nature of the collective membership organization associated with the mark. Also, do not include any html or other programming code or language that may create links in the listing of goods/recitation of services/description of the collective membership organization. If you wish to delete the class entirely, then remove all displayed wording, and enter the specific wording "DELETE CLASS ENTIRELY"- do not merely leave the field blank]. For more information about acceptable language for the goods/services, see the USPTO's on-line [Goods and/or Services Manual](#).

DATES OF USE

NOTE: Amendment or correction may be made to the dates of use. However, the USPTO will not accept any amendment or correction wherein the amended dates of use are later than the dates that would have been accepted when the underlying application was examined prior to registration.

 Date of First Use of Mark Commerce (MMDDYYYY)

BASIS FOR FILING/REGISTRATION

NOTE: If the mark published with the correct basis, but the information did not appear on the registration certificate, the omitted basis(es) may be added under Section 7. In all other cases, only minor corrections are permissible; e.g., to correct the foreign registration number or the country that issued the registration, if supported by the record.
 Where the omission of a basis at publication is due to USPTO error, and is supported by the record, the omitted basis may be added, but not by using this form. Instead, the registration must be restored to pendency and published with the correct information.

Amount	The fee to amend or correct a registration due to a mistake by the owner/holder of the registration is \$100.00 per registration. Total Fee Paid=\$100 <input type="checkbox"/> I hereby elect not to submit any fee. I believe no fee is required because I am seeking to correct an immaterial, e.g., clerical, error that was the fault of the USPTO, rather than the fault of the owner/holder. I understand that the USPTO may, upon later review, require a fee payment.
